To Whom It May Concern:

innovativeKids (a division of innovativeUSA, Inc.) certifies that any and all products it suppliers are now and will be in the future, in compliance with all regulations specified within the Consumer Product Safety Improvement Act of 2008, including mandatory third party laboratory testing, the issuance of General Certification of Conformity certificates, allowable levels of lead and the presence of Phthalates.

General Certification of Conformity certificates for all products manufactured after November 12, 2008 (the effective date of the CPSIA) are presently available upon written request. Within the next four weeks, GCC certificates will also be available through our website at www.innovativeKids.com.
