Important: Legal Notice

Dear Customer:

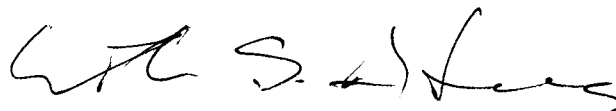

Effective immediately, Section 105 of the Consumer Product Safety Improvement Act ("CPSIA") requires a cautionary statement for certain products that are advertised on internet websites and in certain catalogues and printed materials. Attached below is an Excel spreadsheet containing the list of Random House Children's Books titles that contain cautionary statements that may be subject to Section 105 of the CPSIA, together with their ISBNs and the specific language of each cautionary statement. Please contact your legal and website design departments to notify them of this message and the attached spreadsheet.

If you have any questions for Random House about this, please email your questions to productsafety@randomhouse.com. Additional information may be found at <http://www.cpsc.gov/ABOUT/Cpsia/cpsia.html>, and at <http://www.randomhouse.biz/> under "vendor services" after January 5, 2009.

Sincerely,
